

Appendix - copy of correspondence between Councillor Carla Denyer and the Bristol Airport Consultation Team:

Dear Cllr Denyer,

Carbon neutrality is a stretching target but one we believe can be achieved in the timescale we have set out. However, I should stress that emissions from flights are out of scope but will be addressed separately through an international agreement on a new global market-based measure to offset CO2 emissions.

We will be publishing a Sustainable Growth Strategy, encompassing an updated approach to carbon management, alongside our Draft Master Plan this winter. We would welcome your feedback on all aspects of the Sustainable Growth Strategy as part of consultation on the Draft Master Plan.

Thank you for flagging up the glitch with the auto response, which seems to have reverted to a previous version. We have now rectified this error.

Kind regards,

[name redacted]

**Subject:** RE: Bristol Airport carbon neutral 2030 plan

Dear [name redacted]

I am surprised that you think you can completely decarbonise in 12 years without yet having a road map for it, while expanding the airport.

Please can you point me at where I can find the existing carbon management plan?

By the way, are you aware of what it says in the autoreply from the [future@bristolairport.com](mailto:future@bristolairport.com) email address? See attached. Even though it is the email address published on the consultation pages for the current consultation, the autoreply tells the recipient that the consultation is closed. I think it needs updating.

Best wishes,

Carla Denyer

Councillor for Clifton Down

**Subject:** RE: Bristol Airport carbon neutral 2030 plan

Dear Cllr Denyer,

Thank you for taking the time to contact us.

The airport does have a carbon management plan, as required as part of the ACI Carbon Accreditation process which we are actively involved in (we are seeking approval for Stage 2: Reduction certification imminently).

Our ambition to be carbon neutral by 2030 is a medium term goal and as such we will be providing an updated carbon management plan in due course detailing a road map to reach this status by 2030.

I do hope this adequately answers your query and please don't hesitate to contact me if I can be of any further assistance.

Thanks

**To:** Bristol Airport's Consultation Team

**Subject:** Bristol Airport carbon neutral 2030 plan

**Importance:** High

Dear Bristol Airport consultation team,

I am reading through your consultation and am very interested by your ambition to be carbon neutral by 2030.

Given how soon that is, I assume you have a detailed plan already in place for how to achieve it. However, I have had a look on your website, plus on <http://www.airportcarbonaccreditation.org> and <http://www.airportco2.org>, and cannot find any details. Please could you direct me to where I can find such a plan?

As the consultation closes soon, I would be grateful if you could get back to me in the next day or two.

Many thanks,

Carla Denyer

Councillor for Clifton Down
